

This form is to be used in conjunction with a rule review when ancillary documents are also being reviewed as part of the review process.

Ancillary documents are interpretive or policy statements that advise the public of the Department's opinions, approaches, or likely course of action. They include documents such as Excise Tax Advisories (ETAs), Property Tax Bulletins (PTBs), and Revenue Policy Memorandums (RPMs). Ancillary documents do not have the "force of law" that a rule is given under the Administrative Procedures Act (Chapter 34.05 RCW). Court decisions, Board of Tax Appeals decisions (BTA), and Washington Tax Decisions (WTDs) **are not** ancillary documents.

Briefly explain your recommendation:

The information in this excise tax advisory is informative, explaining that interstate sales commissions earned by a taxpayer whose domicile and his or her place business is located in Washington are subject to B&O tax. The department should incorporate this information into Rule 194 when it is next revised and then repeal the ETA.
